<b>Presentation Date:</b>	<b>Friday, 11 May 2018</b>
<b>Venue</b>	<b>SMX CONVENTION CENTER, MANILA, Function Room 1</b>
<b>Presentation Title:</b>	<b>STUDENT CONGRESS: A CHILD'S FIRST ORTHODONTIC VISIT</b>
ABSTRACT	<p>The purpose of this lecture is to give insights on how soon can a child visit the Orthodontic clinic and the advantages of having orthodontic assessment at an early age. Early evaluation of the developing teeth and jaws provides a wealth of information for the Orthodontic practitioner. Subtle problems can be spotted even in young children.</p>
