Presentation Title:	SAY AHHH..... PLEASE?? MANAGING COMMON PAEDIATRIC SCENARIOS IN YOUR GENERAL PRACTICE
	<p>Child patients are a 100% challenging and their behaviour really affects our clinical judgement. By focusing on the actual chief complaint and keeping in mind that children are not small adults, we will be able to perform the appropriate treatment on them.</p> <p>In this forum, we will discuss common paediatric dental situations you may encounter in your practice, with case scenarios and proposed treatment options based on the patient's complaint, behaviour and parents' desire.</p>
