Venue	SMX CONVENTION CENTER, MANILA, Meeting Room 12
Presentation Title:	TO DO OR NOT TO DO RCT, THAT IS THE QUESTION
	<p>Endodontic treatment are generally performed by general practitioners. A dilemma often arises as to which cases should be treated , which cases to be referred to a specialist or which cases to be extracted. Factors affecting the case selection will be presented to aid the practitioners to assess these cases that are best qualified to be treated.</p>
